Referral Bonus Disclosure

For an existing client to earn \$10 for each person that become a new Helium Investments client, the new client must complete all the following actions.

- 1) Successfully open a new Helium Investments account.
- 2) The new account must be opened with their referral key provided by the existing client. Referral or bonus keys cannot be added afterwards.
- 3) Fund the account with a minimum of \$100 monthly deposit, or \$1,000.

New clients must never have had a Helium Investments account before, identified by their basic personal information such as address, phone number and email address. Referral bonus deposits are made to both accounts within 30 days of signup. Referral bonuses are only paid into Helium Investments accounts. Once a referral bonus has been issued it cannot be reversed. Enrollment only accepts one referral or bonus key which cannot be combined. This is a limited time offer, expiring on June 1st, 2017. We reserve the right to examine and determine referral bonuses will be paid as we see fit.
